Naoko Ishii
CEO and Chairperson

April 15, 2015

Dear Council Member:

UNEP and UNDP as the Implementing Agencies for the project entitled: *Regional (Antigua And Barbuda, Barbados, Cuba, Dominican Republic, Grenada, Jamaica, St. Kitts And Nevis, St. Lucia, Trinidad and Tobago, St. Vincent and Grenadines): Integrating Water, Land and Ecosystems Management in Caribbean Small Island Developing States (IWEco)*, has submitted the attached proposed project document for CEO endorsement prior to final approval of the project document in accordance with UNEP and UNDP procedures.

The Secretariat has reviewed the project document. It is consistent with the proposal approved by Council in June 2012 and the proposed project remains consistent with the Instrument and GEF policies and procedures. The attached explanation prepared by UNEP and UNDP satisfactorily details how Council's comments and those of the STAP have been addressed. I am, therefore, endorsing the project document.

We have today posted the proposed project document on the GEF website at www.TheGEF.org. If you do not have access to the Web, you may request the local field office of UNDP or the World Bank to download the document for you. Alternatively, you may request a copy of the document from the Secretariat. If you make such a request, please confirm for us your current mailing address.

Sincerely,

Naoko Ishii
Chief Executive Officer and Chairperson
